

The Vault Theater Company

2018 Season

Dear Patron,

We are looking forward to entering our second season. At The Vault Theater Company we strive to bring quality productions to the Hanover area. Our second season is stacked with laughter, music, romance and pathos with a little something for everyone! We are thrilled to bring you the magic of Disney's Mary Poppins, the rhymes of Seussical the Musical and the pawsomeness of Disney's 101 Dalmatians Kids!

With your support as a member, we can continue to educate our areas youth in the performing arts. Our mission is to inspire, educate and entertain our community with exceptional theatrical arts through involvement of all ages. We are committed to enriching the arts community by presenting innovative and entertaining theater experiences and providing entertainment that is engaging and welcoming to audiences to help foster an appreciation for the arts, and inspiring youth and adults to make theater an active part of their lives.

The Vault Theater Company will serve and expand as a hub of entertainment and education for the arts in downtown Hanover. With the growth of being able to provide a community theater program, more classes, and an exceptional learning facility, The Vault Theater Company will flourish. As the only community theater of youth and adults of its kind in the immediate area, The Vault Theater Company will offer a superior standard program to Hanover and the surrounding areas. The Vault Theater Company will provide today's youth and tomorrow's leaders with the life skills necessary to be successful in their lives.

Together, we can create wonderful memories for our community and for your family.

Sincerely,

Brittany Stevens
President
